

SABC STAFF - SABC chooses our summer staff on the basis of their personal commitment to Jesus Christ, their maturity, character, and love for children and youth. Each of our staff is also required to provide a criminal record check. These youth and young adults make superb role models for kids. Senior staff go through an intensive training program and are certified in St. John's Ambulance First Aid before summer camp begins. Most of our staff members serve for the entire summer. We work hard to ensure that we provide a safe and caring environment where your child can experience God's love. Health and safety are priorities. Our true desire is that your child leaves SABC knowing Christ more as a result of his or her time with us.

YEAR ROUND RENTALS

We invite you to join us for your family reunion, band, or school trip, scrapbooking weekend, or just a personal retreat. Our facilities are ideal for any kind of getaway and our staff desire to serve you in any way they can. Call us (403-792-3644) or email (info@sabc.ca) and we can help you plan the perfect getaway!

TO PARENTS - My three children are growing up and I continue to find it difficult to leave them with someone I don't know really well. While this is tough for us as parents, you need to know that I am confident in our staff, proud of them and their commitment to our children and excited for my children to learn under their leadership. Children are truly precious and we do not take our responsibility lightly. Our commitment is to provide your child with a memorable, safe, and life-changing camp experience. My door is always open so please don't hesitate to share your suggestions, questions, or concerns leading up to or following your child's time at camp.

Looking forward to a great summer,

NEW THIS YEAR!

At SABC we have a premiere waterfront area that has become the centerpiece of summer camps. We have invested heavily into this area over the past 10 years and are proud to be partnering with Waterski/Wakeboard Alberta by offering their Rip n Ride program for the very first time (ripnride.ca).

Watermat - Some of you got to experience our new beach toy and the consensus is that it's a blast! Looking like a giant blue foamy, it holds about 15 people and it is a great time in the water. Whether wrestling, balancing, or just relaxing, it's the place to be on a hot sunny day (actually, windy days are fun on it too)!

Laser Tag - Enjoy the non-stop thrill of Laser tag! It's the high tech combination of tag with hide and seek. Run, chase and have a great time trying to tag others while trying to avoid being tagged. There will be team play or individual but for sure you will come away with great memories!

Zany Camp Skills - We're expanding our offering of 60 minute crazy camp activities to all camps! Campers will be able to sign up for skills, AND be able to pick from some traditional or some wacky camp activities every day.

Beading - Learn how to create your own stunning, beaded jewelry and crafts. Whether you enjoy it for the challenge, creating beautiful things, or making gifts, you'll love this new skill!

KIDS' CAMPS (GRADES 1 – 6)

Splash (gr K-3) - An action packed weekend that gives young campers the opportunity to try out an overnight camp! Strongly structured for safety and with programming and teaching geared specifically for younger campers these camps give young people an exciting experience that they will want to return to year after year!

Splash 1 - July 20-22 \$98
Splash 2 - August 10-12 \$98

Blam (gr 1-3) & Wham (gr 4-6) - Shorter camps that are smaller in size allow younger students to get a feel for camp and experience a lot of what a full week of Adventure camp is like. The activities and structure of the camps may be geared toward a smaller group but we've packed in all the crazy fun and excitement of summer camp so your child will come away having learned more about Jesus and had a week they will not forget!

Blam 1 - July 8-12 \$228
Blam 2 - August 6-10 \$228
Wham 1 - July 8-12 \$228
Wham 2 - August 6-10 \$228

Adventure (gr 2-6) - Our Adventure camps have been around longer than any other camp we offer; a perennial favorite for thousands of campers and what SABC has become known for! Engaging and exciting programming, thrilling wide games, crazy theme meals, fromage (our "lack of talent" show) and fun chapels have been what campers have returned to for years. This year we've added exciting new skills and increased the campers' activity options while at camp. Adventure camp just got better!

Adventure 1 - July 22-27 \$285
Adventure 2 - August 12-17 \$285
Adventure 3 - August 19-23 \$228

Fort (gr 3-6) - Those who like the fort (and there are a lot of them) like it a lot! Our fort camps are smaller in size (approx. 45 campers) and while they offer many of the traditional camp activities like archery, kayaking and wide games this camp also has a lot of the crazy activities you would expect at a summer camp! It is a week filled with sun, fun, creativity and energy! But it's not just about fun and games, the chapels are equally creative and engaging. With the limited space and great interest, register early to get the week you want!

Fort 1 - June 26-29 \$159
Fort 2 - July 1-6 \$275
Fort 3 - July 8-12 \$220
Fort 5 - July 22-27 \$275
Fort 6 - July 29-August 3 \$275
Fort 8 - August 12-17 \$275

Primetime (gr 4-6) - Using our popular Adventure camps as the foundation we have added unique programming and teaching that makes this week of camp for students in grades 4-6 a totally unique experience! Don't miss the great chapels, crazy wide games like Atomic Chicken and the free time activities like Viperball and the Watermat! With all the skills from last summer and this year you will have even more options to pick from while at camp.

Primetime - July 15 - 20 \$285

JR HIGH CAMPS (GRADES 6 – 9)

Fort Jr. High - The unique nature of the Fort doesn't just apply to elementary aged campers, jr-high students love it as well. All the fun and creativity of camp as well as solid teaching and great community create an experience that can be life changing! There will be sun, friends, adventure and memories that you will not forget!

Fort 4 - July 15-20 \$290
Fort 7 - August 6-10 \$232

Plunge - Created for Junior High students, with input from Junior high students, these camps continue to be refined into the ultimate summer experience. With an expanded number of options to choose from you get to pick what sort of day you want: high energy or relaxed and mellow. Our commitment to great speakers and improved worship means chapels won't just be a part of the week but a highlight!

Plunge 1 - July 1-6 \$300
Plunge 2 - July 29-August 3 \$300

SR HIGH CAMPS (GRADES 9 – 12)

Fort Sr. High - Strategically placed at the end of the summer so it doesn't interfere with summer jobs or vacations, this camp for High School students should not be missed! Come meet new people and old friends and experience what some would call a week-long party! End your summer in a big way by taking a week to grow in your relationship with Jesus, play and relax.

Fort 9 - August 19-23 \$196

Teleios (gr 10-12) - The name of this leadership development program comes from the New Testament Greek meaning "mature or full grown". This is our goal with this program. We want to see students aged 16-17 challenged to learn and grow in their faith to a place of maturity preparing them to serve others. Teleios is a month-long program offered in July and August. The students will learn through community, activity, session, and practice. It is an intense program that we hope will develop leaders who will return to their communities and impact them for Christ.

Teleios 1 - July 1-27 \$400
Teleios 2 - July 29-August 24 \$400

FAMILY CAMPS

Family Camp - This weekend is a high light of the summer for many families! It is just what busy families need, a perfect combination of programming and free time so that you come away from the weekend saying "that was fun" but also rested. It will be a weekend your families talk about well into the summer. You will need to apply early for this one, it fills fast! Registration opens April 23.

June 22-24 By Donation!

Big (Father & Son) - 2011 was the first summer for our Big father & son camp. It was great fun so we've added a few more things to do like laser tag! Don't miss this great opportunity to build memories and stronger relationships between father's and sons.

July 13-15 \$91/person

Sugar and Spice (Mother & Daughter)
Building on feedback from people who have attended the camp, this year we are moving the Mother & Daughter to our new lodge. This means there will be a lot more space and a lot more comfort! This camp is a great opportunity to spend one on one time with your daughter without the daily distractions and errands to run. A great blend of options to choose from allows the parent and child to design their own weekend whether you are seeking adventure or want to use your creativity.

July 27-29 \$91/person

Father & Daughter Camp - Looking for some time alone with your daughters? Don't know what to do? Come on out to camp for a little adventure. You can stay in one of our cabins or use your own tent/trailer for a weekend filled with fun activities and great teaching! There will be opportunity to try all sorts of camp activities like the climbing wall, tubing, and even laser tag.

August 17-19 \$91/person
